**CONSENT ORDER**

WHEREAS, state regulators from multiple jurisdictions conducted a coordinated investigation of LPL Financial LLC ("LPL") to determine whether non-traded REIT sales transactions executed by LPL, during the time period beginning January 1, 2008, through December 31, 2013, violated state law;

WHEREAS, LPL has cooperated with state regulators conducting the investigation by responding to inquiries, providing documentary evidence, and identifying executed sales transactions ("Sales Transactions") that were sold in violation of (a) the prospectus standards of the specific REIT, (b) a state concentration limit, or (c) LPL's own guidelines for the sale of Alternative Investments including, but not limited to, non-traded REITs;

WHEREAS, the investigation has identified Sales Transactions of non-traded REITs to investors in Alabama that were sold in excess of at least one of the above-stated prospectus standards, state concentration limits, or LPL's own guidelines, which the Alabama Securities Commission alleges constitutes a violation of rule 830-x-3-.13 of the Alabama Securities Commission's Administrative Code;

WHEREAS, LPL has agreed to resolve the investigations through the offer of a multistate settlement which includes this Consent Order;

WHEREAS, LPL, as part of this settlement, agrees to comply with all state and federal securities laws; and

WHEREAS, LPL, without admitting or denying the findings of fact and conclusions of law contained herein, voluntarily consents to the entry of this Consent Order and waives any right to a hearing or to judicial review regarding this Consent Order.

NOW, THEREFORE, the Alabama Securities Commission hereby enters this Consent Order.

### **I. FINDINGS OF FACT**

1. LPL, CRD # 6413, is an entity currently registered as a broker-dealer firm in Alabama. LPL is also an investment adviser registered with the Securities and Exchange Commission and notice filed in Alabama.

2. LPL's principal place of business is located at 75 State Street, 24<sup>th</sup> Floor Boston, MA 02109. LPL currently maintains branch offices in Alabama.

3. During the time period from and including January 1, 2008, through December 31, 2013, LPL offered multiple non-traded REITs through its branch offices in Alabama.

4. Non-traded REITs are specifically identified by LPL as a form of "Alternative Investment."

5. Non-traded REITs generally carry significant investor risk in that they present liquidity risk and often have lengthy holding periods, restricted redemption options, and variable withdrawal periods determined by issuer specific programs.

### **RELEVANT DISCIPLINARY HISTORY**

6. On February 6, 2013, LPL entered into a Consent Order with the Commonwealth of Massachusetts regarding certain sales of non-traded REITs to Massachusetts residents ("MA Order") during the time period of January 1, 2006, through February 6, 2013.

7. Subsequent to the MA Order, LPL began a review of its Sales Transactions involving non-traded REITs sold after October 1, 2010 to residents of jurisdictions other than Massachusetts.

8. On January 28, 2014, LPL entered into an Acceptance, Waiver and Consent Agreement (“AWC”) with the Financial Industry Regulatory Authority (“FINRA”) which was accepted by FINRA on March 24, 2014. This FINRA AWC sets forth that LPL accepted and consented to findings, without admitting or denying the findings, that between January 1, 2008, and July 1, 2012, LPL violated NASD Rules 3010(a) and (b), 2110 and FINRA Rule 2010 by failing to implement an adequate supervisory system for the sale of alternative investments that was reasonably designed to achieve compliance with suitability requirements.

**Identification of Sales Transactions that Constitute a State Law Violation**

9. Subsequent to the above referenced Massachusetts action, LPL began a review of its Sales Transactions from October 2010 to August 2013 to identify those Sales Transactions that exceeded one or more of the following:

- a. the particular REIT’s prospectus standards;
- b. a state’s concentration limits (if applicable); or
- c. LPL’s Alternative Investment Guidelines.

10. As a result of the multiple jurisdiction-coordinated investigation, LPL began a review of its Sales Transactions from January 1, 2008, through December 31, 2013 to identify those non-traded REIT Sales Transactions that exceeded one of the following:

- a. the particular REIT’s prospectus standards;
- b. a state’s concentration limits (if applicable); or
- c. LPL’s Alternative Investment Guidelines.

11. During the time period from and including January 1, 2008 through December 31, 2013, LPL processed, in various jurisdictions, over 2,000 transactions that were sold in excess of the REIT's prospectus standards, various state concentration limits or LPL's Alternative Investment Guidelines.

12. LPL's internal review of its non-traded REIT Sales Transactions identified the date, amount of transaction, account number, product, client name, client age, state of residence at the time of the transaction, annual income, net worth, liquid net worth, total alternative investments, total non-traded REIT investments, and percentage of total alternative investments to the investor's Liquid Net Worth.

13. Beginning in calendar year 2013, LPL began contacting certain states and identifying transactions that exceeded prospectus standards, state concentration limits or its own Alternative Investment Guidelines.

14. LPL agreed to cooperate with the multiple jurisdiction coordinated investigation from the beginning of the investigation. LPL provided extensive cooperation with the multiple jurisdiction investigation, including: (1) providing information about transactions irrespective of the jurisdiction in which transactions occurred; and (2) identifying Sales Transactions that exceeded state concentration limits, REIT prospectus standards, or LPL's Guidelines applicable to the sale of non-traded REITs.

## **II. CONCLUSIONS OF LAW**

15. At all times relevant, and pursuant to Alabama law, LPL was required to implement an adequate supervisory system regarding the sale of non-traded REITs that was reasonably designed to achieve compliance with Alabama Securities Commission Administrative Rule 830-x-3-.13, and pursuant to FINRA Supervisory Control 3120, LPL was required to enforce its written procedures regarding the sale of non-traded REITs.

16. Based upon the above facts, from and including January 1, 2008, through December 31, 2013, LPL failed to implement an adequate supervisory system that was reasonably designed to achieve compliance with Alabama Securities Commission Administrative Rule 830-x-3-.13 and FINRA Rule 3110, regarding its sale, through Alabama representatives, of non-traded REITs.

17. From and including January 1, 2008, through December 31, 2013, LPL failed to enforce its written procedures to supervise the activities of its registered representatives in violation of Alabama Securities Commission Administrative Rule 830-x-3-.13(3) and FINRA Supervisory Control 3120.

18. As a result, this Consent Order and the following relief is appropriate and in the public interest.

### **III. ORDER**

9. In accordance with the terms of the settlement of this multiple jurisdiction investigation, and taking into consideration LPL's efforts to remediate supervisory and systems issues and to self-report sales violations to certain jurisdictions, and LPL's cooperation in this matter, LPL shall pay as and for a civil penalty within ten (10) business days of the entry of this Consent Order, Eighteen Thousand Two Hundred Sixty Seven Dollars and Fifty-two cents (\$18,267.52), the sum of which represents Alabama's portion of the total civil penalty of One Million Four Hundred Twenty Five Thousand Dollars Even (\$1,425,000.00). The Eighteen Thousand Two Hundred Sixty Seven Dollars and Fifty-two cents (\$18,267.52) shall be paid in the following manner:

- a. That in accordance with Section 8-6-19(j)(1), Code of Alabama 1975, LPL shall pay to the State of Alabama an administrative assessment in the total sum of Ten Thousand Dollars (\$10,000.00), said funds to be tendered in certified funds contemporaneously with the entry of this Order.
- b. That in accordance with Section 8-6-19(k)(1), Code of Alabama 1975, LPL shall pay to the Alabama Securities Commission, as partial reimbursement for the Commission's cost for investigating this matter, in the total sum of Eight Thousand Two Hundred Sixty Seven Dollars and Fifty-two cents (\$8,267.52), said funds to be tendered in certified funds contemporaneously with the entry of this Order.

13. LPL shall retain an independent third party, not objectionable to the NASAA Representative. The third party will be responsible for analyzing the electronic data set provided by LPL of Sales Transaction data representing the executed sales of non-traded REITs by LPL from and including January 1, 2008, through December 31, 2013. The third party shall identify Alabama Sales Transactions that violated (a) REIT prospectus standards, (b) a state concentration limit, or (c) LPL's own guidelines for the sale of Alternative Investments, and those transactions which were processed inconsistent with LPL's policies and procedures, including LPL's Compliance Manual and Written Supervisory Procedures. The Alabama Investor Sales Transactions identified by the third party shall be sent to LPL and the NASAA representative no later than ninety (90) days from the date of Nevada's Administrative Consent Order. At the request of LPL, the NASAA Representative may extend this ninety (90) day requirement, for good cause shown. This provision and the use of an independent third party does not relieve LPL of its obligations under Paragraph 2 of this Order.

14. LPL shall cause its Internal Audit department to confirm that the data provided to the third party is the most complete data set available reflecting executed non-traded REIT Sales Transactions during the relevant period and shall provide a notice to the NASAA Representative within ten (10) days of the delivery of the data to the third party.

The Internal Audit department shall also review and confirm that LPL has made offers relating to the Alabama Investors Sales Transactions consistent with this Order. A report by the Internal Audit department of its review and confirmation that LPL has made offers consistent with this Order shall be sent to the NASAA Representative within ten (10) days of the completion of the Internal Audit department's report.

15. On or before October 15, 2015, LPL shall have provided a written report to the NASAA Representative regarding: the supervisory system for the review of Alternative Investment transactions; the surveillance programs related to Alternative Investment transactions; and the systems for maintaining execution data related to Alternative Investments. Upon request, the NASAA Representative shall make a copy of the written report available to the Alabama Securities Commission.

16. This Consent Order is not intended to subject LPL to disqualification under federal securities laws, rules or regulations thereunder, or the rules and regulations of any self-regulatory agency, nor the laws, rules or regulations of the various states and U.S. Territories, including without limitation, any disqualification from relying upon the registration exemption or the safe harbor provisions. In addition, this Consent Order is not intended to be the basis for any such disqualifications.
